INDIANA HEALTH COVERAGE PROGRAMS

BR201034

AUGUST 24, 2010

Standardized prenatal care coordination forms have been updated

A group of standardized prenatal care coordination forms were posted to the Indiana Health Coverage Programs (IHCP) Web site earlier this month. Two of those forms have since been updated:

- [Prenatal Care Coordination: Operational Guidelines for Reassessment](#)
- [Prenatal Care Coordination Reassessment \(in both Word for Windows and PDF formats\)](#)

If you downloaded either of these forms before August 20, 2010, please visit the IHCP Web site and download the updated versions of the forms before using them.

Sign up now for third-quarter IHCP workshops

The IHCP is again offering quarterly provider workshops free of charge. The workshops feature sessions on waiver, IHCP updates, provider enrollment, and more. For more information, go to indianamedicaid.com. Click on **Provider Services**, then **Education Opportunities**. You may also [register for the seminar online](#).
