## Care Management Disease Management Services

Care Managers and your PMP help you get the right health care services at the right time.

We help you and your family understand and manage certain health conditions such as Diabetes, Asthma, Congestive Heart Disease, Lung Disease, HIV/AIDS, Hemophilia, Sickle Cell Disease, and Cardiovascular Disease.

## Educational Programs

We offer many programs to help you get and stay healthy. Here are some examples:

**SMOKE-free** helps you stop smoking or chewing tobacco.

**WEIGHTwise** helps you lose or gain weight, or stay at a healthy weight.

**HELPlink** helps answer your questions about health, school, community services, and family problems.

**WELLNESSchats** offers events to help you learn about good health.

**BLUEBELLE Beginnings** gives you important information about pregnancy and motherhood and a free gift for your baby.

**MS. BLUEBELLE'S club for kids** offers special activities and mailings to help your kids make healthy choices.

**TEENconnect** helps pre-teens and teens get more involved in being healthy.
