EPSDT Assurances

If the target population includes persons under 21, please complete the following assurances regarding EPSDT. Otherwise, skip to the Prescription Drug Coverage Assurances below.

The alternative benefit plan includes beneficiaries under 21 years of age. Yes

The state/territory assures that the notice to an individual includes a description of the method for ensuring access to EPSDT services (42 CFR 440.345).

The state/territory assures EPSDT services will be provided to individuals under 21 years of age who are covered under the state/territory plan under section 1902(a)(10)(A) of the Act.

Indicate whether EPSDT services will be provided only through an Alternative Benefit Plan or whether the state/territory will provide additional benefits to ensure EPSDT services:

- Through an Alternative Benefit Plan.
- Through an Alternative Benefit Plan with additional benefits to ensure EPSDT services as defined in 1905(r).

Per 42 CFR 440.345, please describe how the additional benefits will be provided, how access to additional benefits will be coordinated and how beneficiaries and providers will be informed of these processes in order to ensure individuals have access to the full EPSDT benefit.

Indicate whether additional EPSDT benefits will be provided through fee-for-service or contracts with a provider:

- State/territory provides additional EPSDT benefits through fee-for-service.
- State/territory contracts with a provider for additional EPSDT services.

Other Information regarding how ESPDT benefits will be provided to participants under 21 years of age (optional):

HIP Link participants under age 21 can access EPSDT services when they visit a Medicaid enrolled provider and present their HIP Link card. EPSDT services will be covered in addition to coverage provided by the employer plan and will be covered beyond any limits present in the employer plan.

Prescription Drug Coverage Assurances

The state/territory assures that it meets the minimum requirements for prescription drug coverage in section 1937 of the Act and implementing regulations at 42 CFR 440.347. Coverage is at least the greater of one drug in each United States Pharmacopeia (USP) category and class or the same number of prescription drugs in each category and class as the base benchmark.

The state/territory assures that procedures are in place to allow a beneficiary to request and gain access to clinically appropriate prescription drugs when not covered.

The state/territory assures that when it pays for outpatient prescription drugs covered under an Alternative Benefit Plan, it meets the requirements of section 1927 of the Act and implementing regulations at 42 CFR 440.345, except for those requirements that are directly contrary to amount, duration and scope of coverage permitted under section 1937 of the Act.

The state/territory assures that when conducting prior authorization of prescription drugs under an Alternative Benefit Plan, it complies with prior authorization program requirements in section 1927(d)(5) of the Act.

Other Benefit Assurances

Alternative Benefit Plan

- The state/territory assures that substituted benefits are actuarially equivalent to the benefits they replaced from the base benchmark plan, and that the state/territory has actuarial certification for substituted benefits available for CMS inspection if requested by CMS.
