## **(51) International Classification of Diseases, Ninth Revision (ICD-9) Codes**

Prior to June 6, 2005, the IHCP ignored the ICD-9 procedure codes and dates submitted, beyond the fifth Other ICD-9 Procedure Codes and Dates (HI06 through HI12 of the first occurrence of the Other Procedure Information segment and the entire HI segment of the second occurrence of this segment) on the 837I transaction. As of June 6, 2005, the IHCP captures and edits the maximum number of ICD-9 procedure codes and dates supported by the Companion Guide: 837 Institutional Claims and Encounters Transaction, Companion Guide: 837 Professional Claims and Encounters Transaction, and Companion Guide: 837 Dental Claims Transaction.
